SAGOLA 2100

BUDGET-FRIENDLY PERFORMANCE

The Sagola 2100 XD is a reliable and solid choice for applying top coats, including both base and clear coats, especially for professionals and hobbyists who want great results on a budget.

VERSATILE AND CONSISTENT

The Sagola 2100 XD can handle a variety of materials and, thanks to its ability to produce a wide and even fan pattern, is versatile enough to be used for a wide range of base and clearcoats.
