## SAGOLA 3600 XPT

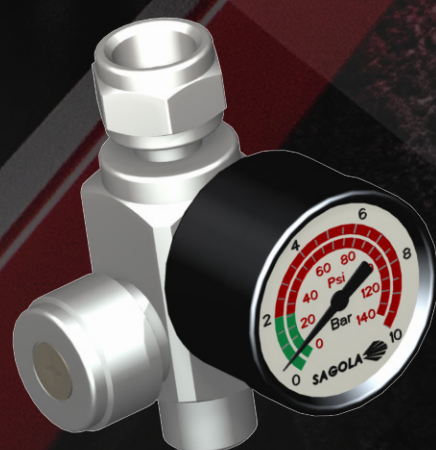

### ***ERGONOMIC***

This versatile spray gun combines proven ergonomic design with advanced features, making it the ideal solution for achieving flawless finishes on both basecoats and clearcoats.

### ***ADVANCED XPT AIRCAP TECHNOLOGY***

The Sagola 3600 XPT introduces a new generation of aircaps specifically engineered for superior performance. The dedicated XPT Clear, XPT Base, and XPT HVLP caps are designed to optimize atomization and fan pattern for each painting process, ensuring every coat is applied with ultimate precision.
